

# Meaning Behind Same-Sex Attraction (SSA)

## **Homosexuality is a symptom of:**

---

- ⦿ Unhealed wounds of the past (ten potential causes)
- ⦿ Unmet needs for love
- ⦿ Reparative drive to fulfill homo-emotional and/or homo-social love needs

## **Homosexuality is essentially an emotionally-based condition:**

---

- ⦿ Need for same-gender parent's/same-gender peers' love
- ⦿ Need for gender identification
- ⦿ Fear of intimacy with members of the opposite sex

## **SSA represents a lack of gender identity, caused by:**

---

- ⦿ Detachment from same-gender parent
- ⦿ Detachment from same-gender peers
- ⦿ Detachment from one's body
- ⦿ Detachment from one's own gender
